The first one says, The pool is cool,
The second one says, The pool is deep,
The third one says, I want to sleep,
The fourth one says, Let's dive and dip,
The fifth one says, I see a ship
A fisherman's boat comes
The line goes splash,
The five little fish,
Swim away in a flash

Hey Diddle Diddle

Hey Diddle diddle,
The cat and the fiddle
The cow jumped over the moon,
The little dog laughed,
To see such sport,
And the dish ran away with the spoon.

The skin said, "I am the best without me you are not able to know what is hot or what is cold".

The ear said, "I am the best without me you cannot hear anything".

The tongue said, "I am the best without me you cannot taste. I give the commands, so I am the boss". They could not find the solution, So they all asked the man which of them is the most important.

The man replied, "I need all of you to know the world around me".

To me all of you are equally important.
