

Student Voices :

Students used Canva to create different designs, including Independence Day posters, burger advertisements, and a Raksha Bandhan design. These activities helped them use pictures, colours, text, and creative layouts. They enjoyed expressing their ideas through digital designs and developed confidence in using Canva.

Project Goals:

- To develop creativity through digital designing.
- To learn how to create posters and advertisements using Canva.
- To understand the use of colours, pictures, text, and layouts.
- To express ideas through attractive and meaningful designs.

Process/ Steps:

- To develop creativity through digital designing.
- To learn how to create posters and advertisements using Canva.
- To understand the use of colours, pictures, text, and layouts.
- To express ideas through attractive and meaningful designs.

Skills Learned :

- Canva designing skills
- Creativity and colour selection
- Image and text arrangement
- Digital presentation skills

Challenges and solutions :

Students faced some difficulty in choosing suitable templates, arranging elements, selecting colours, and creating a balanced layout. With practice and guidance from the teacher, they learned to use Canva tools more effectively. This helped them improve their creativity, presentation, and digital designing skills.
