- Project Goals:**
- To create meaningful Father's Day cards and Yoga Day posters using Canva.
 - To develop basic graphic design and digital creativity
 - To build creativity, confidence, and teamwork through hands-on design activities.

Process/ Steps:

- Select the beads, threads, and other materials needed for the jewellery or phone chain.
- Plan a simple design or pattern before starting.
- String the beads carefully and assemble the jewellery or phone chain.

Skills Learned :

- * Creative thinking in designing.
- * Teamwork in Canva activities.

Challenges and solutions :

- Choosing the right design template.
- images neatly.
- Explore different Canva templates before selecting one.
- Use simple colour combinations and readable fonts.
- Align and organize elements properly.
